

FEED BACK FROM LOW VISION  
FELLOWSHIP STUDENT.

---

Today is my last day in Sankara Nethralaya and I would like to say thank you for everything.

Thank you for the training, advices and tips, it really help me a lot to become a better person and grow professionally.

I'm so lucky to be trained under Sarika Mam's supervision. "You are a good teacher every student would dream". Because of mam's words and professional advices, I'm now confident to face my new endeavour because you enlightened my minds with good deeds and concept in life.

Thank you Sreetha mam. Mam is someone who inspired me a lot in so many ways. I have learned the real essence of working and hardship.

I am always thankful to Ananya Ma'am and Janaki Ma'am for the care, support, guidance and opportunities they gave me in the past 6 months.

Thankfully.

Jen's Jayaraj.
