

10 March 2014

Applications invited from students

The Sankara Nethralaya Academy has launched a **continuing optometric education programme** for students and working optometrists who want to enhance their knowledge and gain experience. The programme will run through six Sundays, beginning on March 30.

Applicants can either enrol for some sessions or for the entire module. The last date for filled-in registration forms is March 15.

For registration, contact: Dr. Anju R. Singh: 9176944244 and log on to: www.thesnacademy.ac.in
