The Sankara Nethralaya Academy has introduced a certificate course in hospital financial management for non-finance professionals, doctors, administrative executives in the hospital sector, and healthcare institutions who want to enhance their knowledge and gain experience in the field of management.

The program will cover the financial concepts and techniques in a practical and interactive manner, and is designed to improve the participants' financial comprehension and decision-making capabilities, said a release.

P R Ravindran, chartered-cum-cost accountant and former chief general manager, Sankara Nethralaya, will be handling the classes. Those enrolling for the complete module will receive a certificate at the end of the program.

The 12-week course will begin on April 5 and classes will be held on Saturdays between 3 and 6 pm on the main campus of Sankara Nethralaya, Nungambakkam.

To enrol for the programme, register in advance. For details, log on to [www.thesnacademy.ac.in](http://www.thesnacademy.ac.in)
